

## Private Medical Examinations at Churchill Medical Centre

When you book for a medical this will be a 30 minute appointment with one of the practice GPs.

### Charges and Cancellation Fees

£140.00 per medical

We operate a cancellation policy for all medical appointments. If you do not attend your appointment, or cancel within 24hrs of your appointment time, we will charge you 50% of the appointment fee, £70.

Medicals are booked in the pre-bookable available slots. We are not able to fit in 'emergency' medicals as these are private non-urgent work. Our appointments released on the day are reserved for patients with medically urgent problems.

### DVLA Medicals

Most DVLA medicals require a sight test as well as a medical appointment with your GP. The GPs are **not** able to complete the sight section of your form and you will need to also attend your opticians.

### Please remember...

...To bring all relevant paperwork to your appointment. The GP will need this to be able to complete the medical for you.

### Please note...

...That if the private medical requires a blood test or another clinical test this will incur extra charges.
